## PROJECTS

### AI DEVELOPER – MERN FULL-STACK APPLICATION

Full-Stack Development | React.js, Node.js, Express.js, MongoDB, JWT, Redis, Socket.io, Google GenAI

- Built a full-stack AI-powered development platform enabling users to generate, manage, and run code snippets using the **Google Generative AI API** and WebContainer-based in-browser execution.
- Implemented secure authentication using **JWT, bcrypt, cookies, and Express middleware**, with role-based access control and server-side validation using **express-validator**.
- Utilized **Redis (ioredis)** for caching and improving performance of repeated AI queries and user session handling.
- Built real-time communication features using **Socket.io** for live project updates and collaborative interactions.

### MERN AUTHENTICATION SYSTEM

Full-Stack Development | React.js, Node.js, Express.js, MongoDB, JWT

- Developed a secure user authentication web app using the MERN stack with **JWT-based login, registration, and email verification**.
- Integrated **MongoDB with Mongoose** for user data management and implemented backend validation using Express.js middleware.
- Created responsive frontend using **React (Vite)** with context-based state management for user sessions.

### CLOUD DRIVE WEB APPLICATION

Full-Stack Development | Node.js, Express.js, MongoDB, Firebase, EJS, JWT, Bcrypt

- Built a Google Drive-like web application with secure **user authentication** (register/login) using **JWT and Bcrypt**.
- Implemented **file storage, retrieval, and access management** with MongoDB as the database.
- Designed responsive **EJS-based views** and structured routes with Express.js for scalable backend.
- Applied authentication middleware and validation to enhance **data security** and prevent unauthorized access.

### PERSONAL PORTFOLIO WEBSITE

Frontend Development | React, React Router, Tailwind CSS, GSAP

- Designed and developed a responsive personal portfolio showcasing projects and skills.
- Implemented animations and interactive UI using GSAP and Typewriter.
